Your ending balance from the last month of the account history is \$0.00. Your starting balance according to this analysis should be \$36.56.

This means you have a shortage of \$36.56. This shortage may be collected from you over a period of 12 months or more unless the shortage is less than 1 month's deposit, in which case we have the additional option of requesting payment within 30 days. We have elected to include this amount in the arrears of the proof of claim that lender will file with the bankruptcy court.

Your 7/25/2022 mortgage payment will be \$258.91 of which \$240.63 will be for principal and interest and \$18.28 will go into your escrow account.

**Redacted**

**Your Monthly Mortgage Payment was \$258.91 of which \$240.63 was for principal and interest and \$18.28 went into your escrow account.**

[illegible]

Under the Fair Debt Collection Practices Act, this is an attempt to collect a debt and any information obtained will be used for that purpose. However, in the event you have been discharged pursuant to or are under the protection of federal bankruptcy law, this letter is not an attempt to collect the debt against you personally.

If this Escrow Analysis indicates that there is a surplus, it may not mean that you are entitled to receive a return of that surplus. This analysis was calculated based on an assumption that the account is current according to the terms of the Note and Mortgage/Deed of Trust. If the account is behind, in default, or in bankruptcy, this analysis may not reflect the current state of the account or the terms of a bankruptcy plan. If there are enough funds in the escrow account and the surplus is \$50 or greater, that surplus will be mailed to you within 30 days, provided the account is current under the terms of the Note and Mortgage/Deed of Trust.

If you have any questions, please contact us at 866-712-5698.

Sincerely,

## Gregory Funding
